

**PERMIT APPLICATION:** NRS #08.152

**APPLICANT:** Adrian Grimes, Manager  
United States Postal Service  
7800 Stemmons Freeway, Suite 400  
Dallas, TX 75247-7290  
(214) 819-7210

**LOCATION:** Project is located north of Old Murfreesboro Pike , east of Faircloth Lane and east of the Nashville Metropolitan Airport; Nashville, Davidson County.

**WATERSHED DESCRIPTION:** Surrounding land use is the metropolitan airport to the west with open fields and scattered woodlots, some residential to the east and south and field and woods to the north. The wetland to be impacted has been determined not to be exceptional Tennessee waters. It is an old abandoned pond dominated by black willow and open water habitat. It is hydrologically isolated. The proposed project lies within the McCrory Creek watershed (Stones River Watershed HUC 05130203). McCrory Creek is on the Final 2008 303(d) list.

**PROJECT DESCRIPTION:** The applicant proposes to construct a mail processing center to serve the greater Nashville area. Construction will require the placement of fill in 0.41 acres of jurisdictional wetland.

Compensatory wetland mitigation shall occur to either 1) purchase 1 credit from the Harpeth Wetland Mitigation Bank or 2) pay the equivalent sum to the Tennessee Wildlife Federation to restore a an area to jurisdictional wetland at a site in the Mill Creek watershed.

**PERMIT COORDINATOR:** Mike Lee

**TOPOGRAPHICAL QUADRANGLE:** Antioch 311 SW

No decision has been made whether to issue or deny this permit. The purpose of this notice is to inform interested parties of this permit application and to ask for comments and information necessary to determine possible impacts to water quality. Persons wishing to comment on the proposal are invited to submit written comments to the department. Written comments must be received within **thirty days of the date that this notice is posted**. Comments will become part of the record and will be considered in the final decision. The applicant's name and permit number should be referenced.

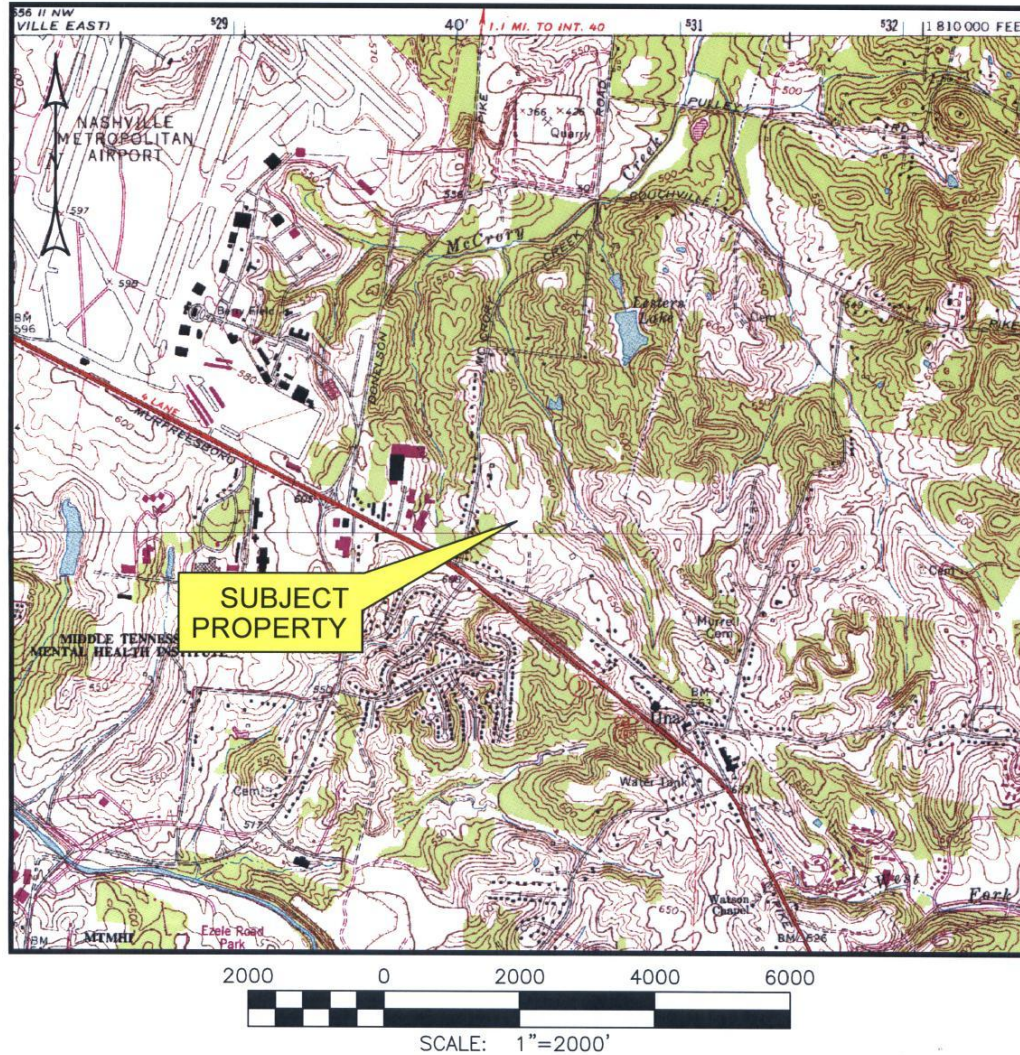

Interested persons may also request in writing that the department hold a public hearing on this application. The request must be filed within the comment period, indicate the interest of the person requesting it, the reasons that the hearing is warranted, and the water quality issues being raised. When there is sufficient public interest in water quality issues, the department will hold a public hearing.
